

BULLS TRYOUTS

Thank you for attending Bulls tryouts. Before any player will be eligible to go on the ice tonight they will need to have paid a \$100 deposit, filled out a Bulls Registration form, and handed in their USA Hockey registration.

Today's tryout will be to determine our Bulls Spring/Summer Select teams. We will "try" to keep every player. We will field as many teams as we have the numbers for. There are some instances where players **WILL NOT** make a team so please be sure your player is aware of this. The majority of the tryout will be a scrimmage so please make sure your player is playing their usual position and giving every ounce of effort. We only have 1 tryout so they need to make the most of it. The coaches will be looking for players with intensity, speed, skill, and knowledge of the game.

Team placements are not permanent! At the Bulls we want players to work every time they are on the ice. If a player is excelling on a team they are on they can be moved to the higher team. In the same case if a player is not giving 100% every practice they can be moved to the lower team.

No team announcements will be made today. Tomorrow every player will receive an email announcing the teams. Please make sure you put a correct email address on your registration form. If you do not receive an email by 9pm please call the rink and ask for Ben. All players that are offered a spot will not receive a refund. If you do not accept your position we will retain your \$100. Any player that is not offered a spot with a Bulls team will receive an \$85 refund in the mail.

The schedule will accompany the team email and the program begins next week. We hope to have the program finished up by mid July. After the team is picked we will decide which tournament to participate in. Most years the teams attend the Summer Sizzler at the Pond or the Pepsi Shootout at Chilled Ponds in Virginia.

At your first practice all players will be asked to pay the balance of their team fee and order a jersey if they do not already have one.

If you have any questions please don't hesitate to ask. Thank you for attending and good luck.
